The Foxborough Public School FY '21 Preliminary Budget was discussed.

At the present time the decreasing number of students enrolled in the district does not justify the number of staff presently teaching. To comply with the necessity of fiscal responsibility, real figures, real programs, and real numbers were carefully scrutinized to realistically address the reduction of staff.

The next steps will be:

- Continued budget review by Administration
- Monitoring available revenue changes
- School Committee budget review – January 6, 2020
- School Committee budget vote at public hearing – January 27, 2020 (action item)
- Present School Committee budget to Advisory Committee – February 5, 2020

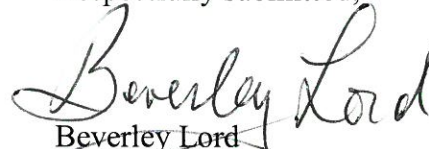

Lord moved; Canfield seconded

Adjourn the meeting

Vote: 2-0-0

Meeting adjourned at 3:45 p.m.

Respectfully submitted,

  
Beverley Lord
