No suspension, discipline, or dismissal made during an employee’s probationary period shall be construed as a violation of any of the provisions of this Agreement or shall be the subject of a grievance proceeding hereunder.
ARTICLE IV - VACANCIES

Section 1. When a vacancy occurs, or a new position is created, notification of the position and salary paid for such position shall be posted in each school for not less than two (2) weeks prior to the closing date for applications. Written notice will also be provided to the President of the Association. The notice shall indicate the name of the school or building, the title of the available position, the specific duties of the position, and the salary paid for such position.

Section 2. Those current employees requesting to transfer to the posted position must submit a written application to the Facilities Manager within the two (2) week period. Current maintenance employees will be given first consideration to any vacancies or new positions before hiring from outside the school system.

The selection of a candidate to fill a vacancy shall be made in the sole discretion of the Facilities Manager.

Section 4. When a vacancy or new position is filled, the President of the Association will be given written notice as to the name and starting date of the successful employee.

Section 5. Unless agreed to by the Association, any employee transferring to a new or vacant position shall be placed in that position no later than fourteen (14) days from the closing date for accepting bids.

Section 2. The starting and ending times of the daily work schedules of said employees shall be determined and fixed by the Superintendent of Schools or his/her designee and such schedules may be changed from time to time by the Superintendent to meet changing conditions of operations. A thirty (30) day notice will be given to any employee whose fixed starting and ending times are to be changed either temporarily or permanently. The regular hours of work each day shall be consecutive, except for interruptions for lunch periods. Each employee shall have a daily lunch period of thirty (30) minutes with pay within the normal work day.

Section 3. Any work performed in excess of forty (40) hours in any work week shall be considered overtime and shall be paid for at the rate of one and one-half (1 1/2) times the
