Dear Foxborough Public Schools Families and Staff,

Today, Governor Baker announced that all Massachusetts public schools **would** remain closed until May 3, 2020. I understand the hardship this places on your families cannot be understated. For the past week, our administrators, teachers, and staff have been working hard to plan in anticipation of this extended closure. The Commissioner of Education is expected to provide guidance for all Massachusetts school districts regarding the development of remote learning plans in the next couple of days. This additional information and guidance from the Department of Elementary and Secondary Education (DESE), along with our current planning, will shape the development of future remote learning in Foxborough.

I will be updating Foxborough families as soon as I have more information to share. In the meantime, please be safe, and we thank you for your patience and support during these unprecedented times.

Sincerely,

Amy A. Berdos, Ed.D.
